## **For Owners at Wilderness Presidential Resort**

### **(Whole Lot Owners, Camping Lot Owners, and Time-Share Owners)**

#### **GENERAL**

The following RULES AND REGULATIONS (hereinafter referred to as Rules) are written for the purposes of furthering the health, welfare, and safety of all Wilderness Presidential Resort (WPR) owners, their families, invited guests and Resort employees. They are derived from Federal and Virginia laws, Spotsylvania County ordinances, documents recorded in the land records of Spotsylvania County, and other governing project documents. An associated purpose is to provide a means for the orderly operation of the Resort and to further the enhancement of the Resort as a unique recreational development.

It is not the intent that each and every stipulation contained in the Deeded Covenants / Declarations of Restrictions be backed up with a specific rule or regulation. Rather these Rules will provide more detail implementing instructions in areas of major concern. It should be noted that in some instances, waivers or variances may be granted for limited periods of time where the requested waiver or variance does not conflict with Federal law, Virginia law or County ordinances. These requests will be considered on an individual basis and will be granted so long as they do not infringe upon the rights and privileges of others.
