

Pet Policy at Wilderness Presidential Resort

One of our key values here at Wilderness Presidential Resort is to take care of our guests. We know that dogs are an important part of many of our lives and that making the decision to leave them behind on trips away from home does not always come easy. Thus, in order to better take care of you, we have opened up parts of our Resort and some rental cabins to be dog-friendly.

At this time, only dogs (70 pounds or less) are permitted under our Pet Policy.

Another one of our key values is to take care of our property, so if you are bringing a furry friend on your Wilderness vacation, please review and follow our Pet Policy to help us do that. We want to ensure the best outcome for all – our guests, our property, our employees, and ourselves.
